## Terms and Conditions

### 1. Introduction

These terms and conditions govern the use of leverage offered by Maiv Limited (trade name : Rock-West) ("the Company") to its clients. By using leverage, clients agree to abide by these terms and conditions.

### 2. Eligibility

Leverage is available to all eligible clients of the Company who meet the criteria set forth by the Company. The Company reserves the right to determine eligibility at its discretion.

### 3. Leverage

**a. Definition:** Leverage allows clients to control a larger position size with a smaller amount of capital. It amplifies both potential profits and losses.

**b. Example:** For instance, with a leverage ratio of 1:100, a client can control a position worth \$10,000 with only \$100 of their own capital. This means that a 1% change in the value of the position would result in a 100% change in the client's equity.

**c.** See appendix 1 for a more detailed description of the account types and leverage offered.

### 4. Usage of Leverage

**a. Trading Purposes:** Leverage may be used solely for trading purposes within the Company's trading platform.

**b. Risk Disclosure:** Clients acknowledge and understand the risks associated with using leverage, including the potential for significant losses exceeding the initial investment.

Address: CT House, Office 9A,  
Providence, Mahe,  
Seychelles

Email: [info@rock-west.com](mailto:info@rock-west.com)

## **5. Client Responsibilities**

- a. Risk Management:** Clients are responsible for managing their risk exposure effectively and implementing appropriate risk management strategies.
- b. Margin Requirements:** Clients must maintain adequate margin levels to support their leveraged positions and avoid margin calls.

## **6. Company's Rights**

- a. Discretionary Changes:** The Company reserves the right to modify or adjust leverage levels at any time without prior notice.
- b. Margin Calls:** The Company may issue margin calls or close out positions if a client's account falls below the required margin level.

## **7. Indemnification**

Clients agree to indemnify and hold the Company harmless from any losses, damages, or liabilities arising from their use of leverage.

## **8. Acceptance**

By using leverage provided by the Company, clients acknowledge that they have read, understood, and agreed to abide by these terms and conditions.

## **9. Contact Information**

For any inquiries or assistance regarding leverage, clients may contact the Company's customer support team at [info@rock-west.com](mailto:info@rock-west.com).

Address: CT House, Office 9A,  
Providence, Mahe,  
Seychelles

Email: [info@rock-west.com](mailto:info@rock-west.com)

## How to get 1:2000 Leverage

To get 1:2000 leverage on select pairs you will need to open a Standard Trading account and select leverage 1:500.

### Example 1:

1. Trader buys first 1 Lots of USDJPY, Margin requirement will be \$50 (1:2000)
2. Trader buys an additional 2 Lots, total 3 Lots USDJPY, Margin requirement will be an additional \$100, total required margin now is \$150 (1:2000)
3. Trader buys an additional 1 Lots USDJPY, total 4 Lots, additional margin requirement now is \$100, total Margin requirement is \$250 (1:2000 for first 3 Lots, 1:1000 for next 1 Lots)
4. Trader buys an additional 6 Lots USDJPY, total 10 Lots, additional margin requirement now is \$600, total Margin requirement is \$850 (1:2000 for first 3 Lots, 1:1000 for next 7 Lots)
5. Trader buys an additional 1 Lots USDJPY, total 11 Lots, additional margin requirement now is \$200, total Margin requirement is \$1050 (1:2000 for first 3 Lots, 1:1000 for next 7 Lots, 1:500 for the next 1 Lot)

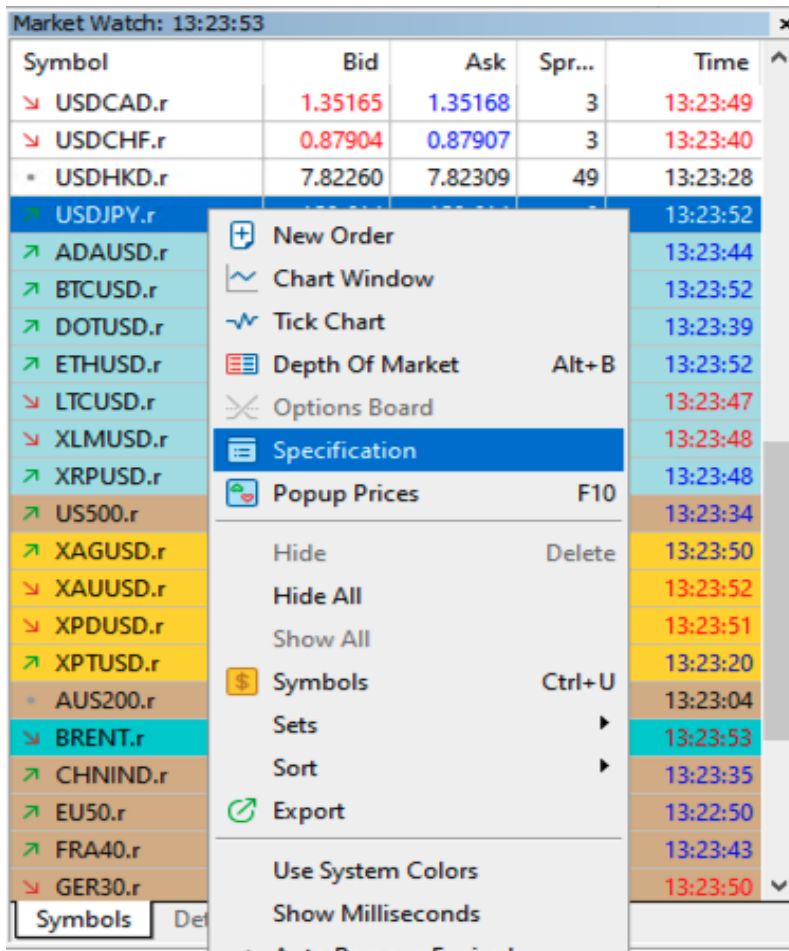

### Example 2:

1. Trader buys first 1 Lots of XAUUSD spot price \$2,304, Margin requirement will be \$288 (1:800)
2. Trader buys an additional 9 Lots of XAUUSD spot price \$2,304, total 10 Lots of XAUUSD, Margin requirement will be an additional \$5183 (1:400), total \$5,471
3. Trader buys an additional 1 Lots of XAUUSD, total now 11 Lots will now require additional margin of \$1,152 (1:200) total margin requirement of \$6,623

## How to check the margin requirement for each instrument?

The below example is for a trader with a **Raw-\$8** trading account.

1. Go to Market Watch
2. Right click on the instrument you are checking, i.e. USDJPY.r
3. Select Instrument specification.
4. Scroll down to 'margin rates: floating, volume' to check the required margin for the required volume in Lots of that instrument. See image below.
